

## **“MY SCHOOL BUS MONITOR”**

Standard Bus Yukon offers a service to parents through a program called “My School Bus Monitor” If your child’s bus is running late or possibly not running at all, you will receive an e-mail alert informing you of the situation. If you would like to sign up for this program, please follow the instructions below:

- 1.) Go to Standard Bus Contracting Website
- 2.) Click on “My School Bus Monitor” – top right corner
- 3.) Click on “to receive e-mail alerts, *click here*”
- 4.) Enter your e-mail address / Carrier is Standard Bus Yukon
- 5.) Click Proceed
- 6.) Enter your child’s school using the drop down arrow or typing in the name of the school
- 7.) Select the route # (bus #) then click Add Route
- 8.) You must select both AM and PM routes. If your child rides one bus in the am and another bus in the PM, you can select multiple routes.
- 9.) If you have students in more than one school, you can add a second school and repeat the process. (You must delete the Routes from the previous school before proceeding.)
- 10.) Click – [click here to exit...](#)
